

## 2020 Travel Publication Distribution Program

Nova Scotia tourism operators and tourism-related organizations are invited to provide brochures, regional travel guides and related literature to Visitor Information Centres (VICs) to be distributed to visitors.

Brochures and guides can be shipped directly to provincial VICs as well as to regional and community VICs. Please contact VICs prior to shipping anything to tell to discuss quantities and shipping requirements at each location.

All travel publications must be free of charge, duty free and shipped to the site prepaid. Collect or COD shipments will not be accepted. When sending your travel publications by trucking/courier companies, ensure they offer door-to-door service. VICs are not equipped to unload shipments, accept pallets or large quantities of literature unless pre-arranged. All large orders should be coordinated with the VIC to ensure the location can accept the quantity and employees are available to assist with delivery. For ease of handling we suggest bundling brochures/guides and securing with elastics or strings in quantities of 50 or 100.

**Please follow public health orders for the wearing of a face covering for all drop-offs and tourism operators should complete a self-assessment and be free of any COVID-19 symptoms: <https://novascotia.ca/coronavirus/when-to-seek-help/>.**

## Community/Regional Visitor Information Centres

Prior to shipping travel publications to community VICs, please contact the VIC directly to verify site opening dates, brochure guidelines and shipping requirements, as this may differ by location. Some centres may have restrictions on what types of travel publications they will accept (ie: specific to the region or community).

Please note, Tourism Nova Scotia will update community VIC information as 2020 opening dates are confirmed.
